

第七届亚洲冷冻治疗学术大会 会议通知

尊敬的各位专家、同道：

亚洲冷冻治疗学会自 2012 年成立以来，得到各位同行的高度关注，并积极参加亚冷会举行的活动。为进一步推进肿瘤微创治疗技术规范，有序向前发展，更好的发挥其在肿瘤综合治疗中的作用，亚洲冷冻治疗学会定于 **2023 年 12 月 9 日**在中国首都北京召开“第七届亚洲冷冻治疗学术大会”。

本次大会以 4I 为主题（传承 Inheritance，创新 Innovation，整合 Integration，提高 Increase），继续秉承“博采众长、共赢发展”的理念，努力实现四大目标：抗大旗（Shoulder the banner），引领亚洲冷冻事业向国际发展；扩大群（Extended group），全面拓展冷冻在肿瘤消融、支气管镜、支气管镜、妇科、皮肤科的应用；开大会（Hold annual conference），每年召开一次全体会员年会，力邀其他相关领域的专家一起交流学习，提高亚冷会的声誉；办大事（Make a great effort to do something），要设立一批亚冷会培训基地及合作企业，加强与其他兄弟学会及国际交流，让更多的患者获益。

亚冷会高度重视学术性，旨在为全国微创治疗领域同行搭建一个合作开放的高水平学术交流平台。会议内容将涵盖冷冻消融、热消融、血管介入治疗及呼吸内镜介入治疗等领域的影像、临床与基础研究。届时将会有来自亚洲各地著名肿瘤介入与微创治疗领域专家进行线上、线下学术交流，就有关领域的前沿学科、新技术、新理念进行精彩讲座。

高山流水遇知音，首都北京欢迎您。诚挚邀请各位共襄盛会，携手推进亚洲冷冻治疗事业的发展与繁荣。

Announcement of the 7th Academic Conference of the Asia Society of Cryosurgery

Dear Experts and Colleagues,

Since the establishment of the Asian Society of Cryosurgery (ASC) in 2012, it has received a lot of attention from colleagues and has actively participated in the activities held by the ASC. In order to further promote the standardization and orderly development of minimally invasive tumor treatment technology and better play its role in comprehensive tumor treatment. The ASC has decided to hold the "The 7th Academic Conference of the Asia Society of Cryosurgery" in in **Beijing**, capital of China on **December 9, 2023**.

The theme of conference is 4I (Inheritance, Innovation, Integration and Increase), the conference will continue to uphold the concept of "learning from all and developing together" and strive to achieve four major goals: (Shoulder the banner), to lead the international development of cryosurgery in Asia; (Extended group), to comprehensively expand the application of cryosurgery in tumor ablation, bronchoscopy, bronchoscopy, gynecology, dermatology; (Hold annual conference), to hold an annual meeting of all members, and inviting other experts in related fields to exchange and study. (Make a great effort to do something), we should to set up a number of training bases and cooperative enterprises, strengthen international exchange with other sister societies, and let more patients benefit.

ASC attaches great importance to academics and aims to build a high-level academic exchange platform of cooperation and openness for colleagues in the field of minimally invasive therapy. The conference will cover imaging, clinical and basic research in the fields of cryoablation, thermal ablation, vascular interventions and respiratory endoscopic interventions. There will be online and offline academic exchanges between renowned experts in the field of interventional and minimally invasive tumor therapy from all over Asia, and exciting lectures on the frontier disciplines, new technologies and new concepts in the related fields.

Welcome to Beijing! We sincerely invite you to join us for the event and promote the development and prosperity of cryotherapy in Asia.
